A Big Success!

The Friends of the Library were very pleased with the turnout for their annual Book and Bake Sale. Due to the threat of torrential showers, a decision was made to hold the event in the parish hall of the Congregational Church that did not deter any customers who came by the hundreds to make the sale the most successful in the group's history.

An event added this year was the Bookmark Making Contest for children in 3 separate age groups. The children worked hard to decorate their own entries, and then enjoyed free prizes, lemonade and cookies. The grand prize - a special new book - for each group went to the following children: David Walega, 10 Jane Lane, ages 3-6; Kelley Todd, 6 North Street, ages 7-9; and Willy Willer, Pico Beach Road, ages 10-12.

JULY JUNIOR SERIES

Last Wednesday saw Jim Broadwater a double winner as the Juniors finished off their July Series. Tricia McCarthy took second in the first race which sent the fleet to Black Can #5 and the Ned's Point mark. Bill Cornish was third.

The second race was further in the harbor as the fog rolled in. After Jim Broadwater came Bill Cornish to take second and Bill Downey in third slot.

The final results of the series are: Jim Broadwater's Agamemnon II, first with 4 1/2 points; Bill Downey's Ask Mom second with 16 3/4 points; and Arthur Bond's Scarab third with 19 points.

OPEN SERIES

The Open Series tie was broken by a race off last Wednesday between Dave Jenney in Ariel and Jim Broadwater in Agamemnon

II. The pair were sent on a course resembling a gold cup course, consisting of 2 beating and 2 running legs. At the finish it was Ariel by 55 seconds over Agamemnon II to clinch first in the July series, Jim Broadwater assuming second place.

BUZZARDS BAY REGATTA

This year's Buzzards Bay Regatta saw hundreds of boats filling the bay with white and multicolored sails (over one hundred Lasers raced). It also saw three days of high winds and pounding, choppy seas making racing a real physical effort. Two Beetle Cats from Mattapoisett participated; Dave Jenney in Ariel and Jim Broadwater in Agamemnon II. Of the 22 boat fleet, the two Mattapoisett boats took both first and second places in the five race weekend series. Dave Jenney's Ariel took first with a racing record of three firsts, one second and one third. Jim Broadwater's Agamemnon II clinched second place with one first, one second, one third and a 7th plus not finishing one race because of the weather.

In the Cruising Classes, John Ruel's Tiara took an eighth, a seventh and a third out of a very impressive fleet. Others who went over were: Jim Holt with US12127 in the 420 class who took a fourth and fifth but couldn't continue due to a breakdown; Mark Roberts with his 420.

The Mattapoisett Race Committee should be commended for a good job on their part of the activities.

BIKE PATH INQUIRY

July 26th, George Hall, executive secretary for the Board of Selectmen, wrote to Bruce Campbell, DPW Commissioner, in reference to the Mattapoisett Bi-Centennial Bicycle Program which was the subject of a conference held in Boston on May 3rd. At that time Robert Verkade of Tibbetts Engineering, Mr. Malcolm Campbell, chairman of the Bicycle Committee; representatives from the Woman's Club and Lions' Club, went with Mr. Hall to meet with the DPW's George Thompson. The presentation for the bicycle path so impressed the state officials that they said that they might use it as a pilot for other such proposals. They asked that a revised project cost, funding level, breakdown be submitted. This was sent May 15th. Nothing more has been heard from Boston.

The Board of Selectmen wrote that they are most interested in the project and would like to meet with the State officials at their convenience to pursue it.

SEEK CLAMBAKE SPONSOR

John Hall, Centennial Committee chairman, met the Board of Selectmen to discuss a September 2nd clambake which would raise funds for bi-centennial activities. The Bi-Centennial Committee is looking for someone to sponsor the event so that the profit could be turned over to the Bi-Centennial Committee by the sponsor as a private donation which would make it readily available for use.

FLOOD INSURANCE TALK

Building Inspector Jonathan DePina talked with the Board of Selectmen about the implementation of flood building regulations. The Flood Insurance regulations now await approval by the Attorney General before they officially become law. In the interim, the town is committed to inform and encourage people to build to conform to these regulations so that the completed building will qualify to be insured under the Federally

THE 7TH PLYMOUTH DISTRICT DESERVES AGGRESSIVE REPUBLICAN LEADERSHIP ...

Matthews is "fresh from success of having been Chairman of Marion Selectmen that succeeded in reducing his own town's tax rate ... no small accomplishment in the light of the current fiscal climate in the Commonwealth..."

subsidized insurance program.

Selectmen have had protests from potential builders that the town should determine the elevations for Flood Zone construction. Consequently, the Selectmen inquired of Richard W. Krimm, assistant administrator of Flood Insurance, as to the town's responsibility under the law. He replied on July 2nd that elevation data should be ascertained by the applicant during permit preparation. He said that the town would keep the data furnished on file but would not be liable for the accuracy of it and would not be responsible for determining such data. He said that this responsibility rests with the applicant for building.

2 YEAR STICKERS

The Board of Selectmen decided that new dump/beach stickers will be issued for a two year period and will be of a quality that won't fade. They decided to incorporate a Bi-Centennial theme.

NEW STOP SIGN RECOMMENDED

The Traffic Committee has recommended that a stop sign be installed on Aucoot Road at the Chapel Road intersection. The proposal has

FREE CASH UP

As of July 1, 1974, Mattapoisett had $214,574.00 of available funds or, so called, free cash on hand. Last year at that period the amount was about $70,000.

EEL POND CLEANUP

Following a complaint about the deplorable scattering of trash along the shores of Eel Pond, the railroad embankment and Goodspeed Island, Selectmen had a crew of 2 boys and one girl working under the supervision of Ralph Wordell go to the area and clean it. This crew is part of the Neighborhood Youth Program and work 28 hours a week on town tasks. The cleanup was performed and an excellent job was done. In addition, wrappers originating from stores on Route 6 were picked up and the inside windows on the Town Hall were washed.

APPOINTMENTS

John DeCosta was appointed to the Bi-Centennial Committee as representative of the American Legion.

Marjorie Tuttle Root is being appointed to the Historical Committee.

COURT ACTION ON EYESORE

The building abandoned on the Knights of Columbus property will be the subject of court action August 9. The town initiated the action on a complaint about the abandoning of a vehicle (the trailer under the house). The town made inquiry about the cost of demolition of the deteriorating wreck of a building and was quoted $1,800. Mattapoisett, of course, has no responsibility in the abandonment which was done on private property. The official concern is solely from the hazard resulting.

OCEAN DRIVE SPEED PETITIONS

Selectmen received a petition to impose a speed limit of 20 miles per hour on Upper Ocean Drive, Mattapoisett Shores. The petitioners complain that high speed traffic on a 15-foot wide roadbed endangers children as there are no sidewalks.

Selectmen replied to Mr. Peter Elen, who presented this petition, in a letter of August 1st. The Selectmen wrote that the State DPW had surveyed the area last year and declined to speed zone the road because it is not a through road and is not a thickly settled area.

The Selectmen said that the DPW engineer is due in town soon to survey another area and they will ask him to consider Upper Ocean Drive at that time.

BEACON STREET SPEED COMPLAINT

Selectmen wrote to Mr. Robert A. Brown, 8 Foster Street, on August 2nd in answer to his letter of July 22nd regarding automobile speed on Beacon Street. Selectmen said that Beacon Street has been speed zoned by the State DPW and Selectmen have requested the highway surveyor, Manny Nunes, to install the proper signs.

The Board has asked Police Chief Alfred Faria to investigate and inhibit speeding in that area and to investigate the purchase of radar equipment for the town.

BEACON STREET PETITION ON SPEED

A petition from residents of Beacon Street and surrounding neighborhood has been sent to Selectmen. It expressed alarm over speeding and concern for over 20 children residing there. They request 1) Speed zone survey; 2) Crash schedule of cruiser surveillance; 3) 4-way stop signs at the corner of Beacon Street, Ned's Point Road, Old Marion Road and Ship Street.

COMPLAINT ON HANGOUT SPOT

A complaint has been received from area residents concerning a popular, block long, hangout on Church Street in front of Center School. The letter stated that loud, obscene language is common communication, machines cruise up and down going nowhere, the street is a pig pen of cans, bottles and trash with no attempt on the part of school custodians to keep the street clear. The letter asks that the back of the school away from homes be utilized as a gathering place for those who frequent this place and suggests that it be policed by an officer.

Street nuisance, Selectmen wrote to Mr. Robert Gardner, chairman of the Youth Committee, enclosing the letter of complaint from residents of Church and Barstow Streets concerning misbehavior of youth in the vicinity of Center School. The Board said that they would appreciate anything that the Youth Committee could do to help alleviate the problem.

FIRE STATION ROOF BIDS

The Mattapoisett Board of Fire Engineers are advertising for bids to install a new asphalt roof on the fire station at County Road and Barstow Street. Bids will be opened at the Selectmen's office at 8 P.M. Tuesday, August 20th.

PUSH FOR HOME RULE

A letter from George Hall, executive secretary, in behalf of the Selectmen has been sent to Richard T. Moore, chairman of the Legislative Committee of the Massachusetts Selectmen's Association, requesting that an article be included in the Massachusetts Selectmen's Association warrant for the statewide town meeting which would foster greater local autonomy and home rule.

It is suggested that this article should prohibit any legislation which would not be subject to acceptance by cities and towns particularly if it requires funding by such cities and towns.

Both the towns of Marion and Rochester have sent letters in support of this article to Mr. Moore.

Some of the world's great banks are unbranched.

Like ours.

Not that we have anything against branches. It's just that most people like us right where we are. And they keep telling us so.

Instead of building branches, we've been building on. Putting it all together in one place. Right here on Route 6 where we're so easy to reach from practically everywhere. And the parking's easy.

Why don't you discover for yourself one of the world's great banks. What a real convenience our unbranched banking is. Either with Big Doc, our 24-hour teller out front. Or at our early-bird, triple-lane drive up window. Or in our main bank during regular hours.

Lots of banking options are yours when you bank with us. We're waiting for you. We want you to discover one of the world's great banks.

George Hall, executive secretary, has forwarded a complaint to R. J. Kelleher, District Highway Engineer of the DPW that speed in the vicinity of Hillside Motel on Route 6 is too high and should be lowered.

STATE TO MEET OBLIGATION SOON

The Massachusetts League of Cities and Towns has notified Selectmen that Massachusetts is now prepared to reimburse the cities and towns for funds spent on police incentive pay up to July 1, 1974. A total of $1,640,000. has been appropriated for the purpose by the Massachusetts legislature and has been approved by the Governor. The appropriation is $140,000. short of the estimated $1,780,000 owed. $640,000 from the deficiency budget will go to reimburse cities and towns for the money spent on incentive pay for 1971-72. $1,000,000. in the current budget, according to the budget director, will reimburse cities and towns for 1973 and up to July 1, 1974.

Old Timers' Hockey

This year the "aging" but "engaging" hockey buffs from Mattapoisett will enter an Over 30 League in New Bedford. The Mattapoisett team presently consists of a gallant nucleus of six or seven regulars. The optimum and ideal number of players is ten - in addition to the goaltender. Any gentlemen who are interested in joining this august membership and playing in a non-checking hockey league once... no more than twice a week, should contact Bob Gardner or Carl Nelson, telephone numbers, 758-6061 and 758-2642, respectively. The membership may consist of players from Mattapoisett, Marion and Rochester.

Library News

On Wednesday, August 7th, the first of four Children's Hours will take place at the Mattapoisett Public Library from 1 to 2 P.M. Kris Stewart, formerly Miss Kris of Romper Room, aired on WTEV-Channel 6, New Bedford, will lead a story telling hour. Program will take place on the library lawn, weather permitting.

The following Wednesday, August 14th, Dwight Ritter, author and educator, will lead a program of musical stories with the aid of puppets and filmstrips.

Be sure and visit the library during the week of August 12th. See the display of Mattapoisett Bags that combine scrimshaw and pine needle craft. Someone will be on hand all week to answer questions and inquiries.

July book lists are available now at the library circulation desk.

ATTENTION SENIORS
GET POLITICALLY INVOLVED

An important day will soon be dawning. On September 10th you will be able to select candidates who will run to represent the newly formed Bristol-Plymouth District. Regardless of your party affiliations, listen, hear and observe who is interested. It is urgent that you select a candidate who understands the changes in the structure of the southeastern areas and its reconstruction which enables the Councils in the area, Agency on Aging, to share in power and responsibility with the executive office of elder affairs.

We want a representation who will help us obtain our share of allocated monies under various titles. Federal monies are appropriated. Mattapoisett needs many things. We still have to pay the tax. Re-

presentatives, Congressman, Senators are the errand boys who can speed up the allotments and programs. The Housing for the Elderly on which that board has worked so diligently is ready for the big push. We want someone who will keep the pledges and do for the seniors NOW! Don't let them die of TVitis or rocking chairitis. They need those things while they are alive - hot meals, buses, transportation. Everything done for the elder American in town affects everyone in Mattapoisett. Select a qualified and experienced candidate who can work with the Council on Aging and the town. The benefits the Seniors enjoy did not come to you automatically. There has been done much behind the scenes. More needs to be done. You have the key - which is the secret, use it. 'Living History'

VISITS STANDARD-TIMES

Seven students of the Living History course of '"74" went to the Standard-Times of New Bedford. The Standard-Times, a six-story building, is located in the center of New Bedford and is established for delivering the news to the Greater New Bedford area.

Bill Neagus, the guide, took us around the building. First he took us to the Press Room. The Press Room has about forty desks. Five of them are the suburban department, two of them are the sports department, five of them are the editing department, while the rest are reporters' desks.

Next we visited the wire room. The first two teletypes are national/international wires, while the next two are sports. Then comes New England and last the U.P.I.s'. Opposite the U.P.I.s is an A.P. Photo Machine.

After the wire room we went to the composing room. The composing room contains two linotypes, two presses, and a series of computers.

Then we went upstairs to the engraving department. A page is placed on a camera. Then the picture is printed on metal. Then the picture goes into the etching tanks where the acid will engrave the light parts. The next step is printing.

Last of all we went down to the printing room. The giant rolls of paper are six-eight miles long Then the paper is printed, cut, wrapped, delivered to your newsboy and then to you. The massive presses put out approximately 30,000 papers an hour.

Then the group went to view the presses. Questions were asked and the tour was ended.

SOCIAL STUDIES TEAM INTERVIEWS TOWN TREASURER AND TAX COLLECTOR

The Social Studies team of the Living History Program interviewed Mr. Allen L. Sherman, Mattapoisett Tax Collector and Treasurer, in his office on July 15, 1974. The office of Tax Collector and Treasurer is an elected position with a three-year term of office. Unlike most of the town's elected offices, Mr. Sherman's position is a full-time one. His annual salary is $11,605.00.

A resident of Mattapoisett for 29 years, Mr. Sherman was previously employed by the Carnation Evaporated Milk Corporation. Faced with a job transfer to the west coast, Mr. Sherman resigned from the Carnation Corpor-

ation and ran for Tax Collector and Treasurer in 1964. He defeated five contenders in his first bid for the office and has run unopposed in the last two elections. Mr. Sherman hopes to serve two more terms before his retirement.

Mr. Sherman works a 35-hour week and enjoys a two-week paid vacation annually. Mr. Sherman's office is located in the Town Hall. However, his work is not limited to the confines of his office. Townspeople frequently come to Mr. Sherman's home and halt him on the street to discuss business.

Assisted by Mrs. Kathleen Junier, Mr. Sherman manages an annual budget totalling over 2 million dollars. He is responsible for the entire town's payroll, for collecting and recording payment of all taxes, and managing all of the town's financial transactions.

Mr. Sherman's only complaint in regard to his job concerns the problem of delinquent taxpayers. Occasionally a grudge is borne by a recalcitrant. However, Mr. Sherman generally enjoys his position and his contact with the townspeople.

Light Summer Drama

ANOTHER PLAY FOR TABOR ACADEMY

Most people think that after July the rest of the summer is boring. But it won't be with Tabor keeping up its summer drama program and proud to present "Rhubarb" and "The King Who Hated Birthdays" on August 10 and 11 at 7:30 P.M. These two one-act plays will be put on in Lyndon South auditorium at the academic center in Marion. The program lasts an hour, and will be an enjoyable time for people of all ages. The plays are both based on a very strange kingdom where the tongue-tied princess can only say one word - "Rhubarb", and the King decides to make birthdays illegal because he doesn't want to get any older. Come join in the fun. There is no admission charge and everyone is welcome without reservations.

Only a short way up the railroad embankment is this gap which is buttressed on both sides by strong masonry wall. This is the foundation for the former trolley underpass which ran under the railroad tracks. Photo on right shows the view of the Eel Pond to the north. In at least two hurricanes this cut has acted as a safety valve to allow flood water to escape from the Eel Pond area to the sea. The Leo Club would like to construct a covered bridge on this stone foundation as a first step toward the construction of a Bi-Centennial Bicycle trail. Unfortunately, shortly before the Leo's proposed this desire, the Selectmen offered the stone to the highway department for use elsewhere. Only if the Highway Surveyor Manuel Nunes is willing to relinquish the offer can this first imaginative step be undertaken. The Leo's feel that the covered bridge which can be seen from Main Street will attract strong interest in the bike trail.

VIEW FROM STONE BRIDGE - A short walk from the old trolley underpass is the bridge over the outlet from Eel Pond. The photo on the left is the west bank of Goodspeed Island upon which a lone crabber tries his luck. The photo right shows the north shore of Goodspeed Island at the same location. Some of the most beautiful marsh along the entire coast will be the visual treat for the bicyclist should the bicycle path become a reality.

the quality of life for this region's elderly population. The Institute, scheduled for October 3 and 4, is being sponsored by the University with cooperation from the New Bedford Health Department, Blue Cross/ Blue Shield of Massachusetts, Region VII Comprehensive Health Planning, the New Bedford Council on Aging, and St. Luke's Hospital of New Bedford.

The Institute, the first to be held on the SMU campus, will include workshops to identify, study and discuss specific issues relevant to life and health conditions of the elderly. General topical areas of the workshops will include: Alternatives to Institutional Care, Economics and Health, Primary Health Care Services, Life Styles for a Long Life, and Retirement and Pre-retirement. Each workshop will be responsible for making recommendations tailored to the characteristics of Southeastern Massachusetts. There will also be formal presentations on health and social implications of long life. Some exhibits with information literature will be on display at the Institute.

Lunch and dinner following the sessions each of the two days will be provided. Attendance will be limited to 200 participants.

Be sure to reserve October 3 and 4 to attend this important Institute which not only is timely but necessary due to the momen-

WASHOUT - The pressure of the occasional flood water has gouged a channel through the beach midway between Goodspeed Island and the Shining Tides. This is evidence of the importance of maintaining whatever relief from high water is in existence. The railroad embankment along the beach has been eroded to the point that it is often hard to see. The bike trail along the beach will have to be placed on a whole new foundation. A wooden base is now contemplated for this purpose. Right photo is of the embankment from the Y camp to the Mattapoisett River bridge foundation. The embankment at this point is overgrown with shrubs but is in comparatively good condition with heavy peastone as the base.

LOWER RIVER BASIN - The quiet and extremely beautiful lower Mattapoisett River panorama as seen from the railroad embankment near the bridge foundation. This view of the river is one that is not familiar to many but it is spectacular.

tous changes now occurring in the health, social and economic aspects affecting the lives of the elderly of our communities.

Further announcements concerning registration and final agenda items will be distributed in August.

spirited camaraderie.

This past Saturday, July 27, the downpour failed to dampen the festivities at our bar-b-que. Twelve volunteers from the community were on hand to generously give of themselves helping make our most successful cook-out to date! Roni King and Norma Campbell, with Pauline Lemieux and Kathy King, ushered in spirit and good fellowship to the residents with a delightful musical program of songs and guitar. Everyone participated in the song fest, with Joe Cabral offering a couple of fine solos. Hamburgers and franks were grilled to perfection, inclement weather not withstanding, by Carol Gingras and Kathy Lake. And, without the "nuts and bolts" help from Virginia Lawrence, her two sons Suaen and Bud, and visiting friend Ed Cayton from Pennsylvania, Tim Bigham and Jeff Bassett, the cook-out never would have occurred. Thanks also to Marion Hanford who dropped by to see if she could lend a hand. It is indeed a pleasure to have so many people willing to give so much. The residents thoroughly enjoyed the cook-out. Our heartfelt thanks to all the volunteers and

staff for working together throughout that exciting day. A special thanks goes to Mrs. Gloris Rounds, Publicity chairman of the Council on Aging, for making known the needs of the residents to the community.

Several residents are becoming interested in the Talking Book series. These are entire novels, plays and books of poetry which have been recorded, unabridged, onto records. People who have difficulty reading can thereby still enjoy and benefit from fine literature through this series, offered free from the Perkins Institute for the Blind.

Finally, a very special thanks to the Mattapoisett Fire Department for always responding so quickly when needed. It is a calming feeling for all knowing they're around.

SPIRITUAL PROGRAM AT TOBEY

Over the years the needs of patients at Tobey Hospital have been met through the efforts of dedicated physicians, nurses, and hospital personnel. Today, the Wareham-Marion Clergy, Chaplains to Tobey Hospital (serving the communities of Wareham, Marion, Mattapoisett, Bourne, Carver and Rochester) have joined with the Tobey Volunteers in a new program designed to bring spiritual guidance to the in-patient and to administer to the "total" person.

Shortly after admission, each person receives a folder containing prayers suitable for all faiths. Together with this is a card to be filled out if the patient wishes a specific clergyman or the chaplain on duty to see him. He may also request Holy Communion. The Volunteers follow through by picking up the cards from the bedside tables and calling the clergymen.

At present, there are approximately thirty clergymen from the area participating in this chaplaincy helping to make hospitalization a little easier for many.

Mrs. Macedo, a former SMU student, was graduated from Swain School in June, 1973. Marion, New Bedford, Provincetown and Worcester have been sites where she has previously exhibited her works. Mrs. Macedo stresses the importance of original creation in this era of mass production. She would also like to see the New Bedford area residents gain pride in the historical past of their area.

Mr. Skaliotis, a native of Calata, Greece, will also be showing samples of his work in the lobby gallery during the month of August. Mr. Skaliotis has lived in New Bedford since October, 1973. Landscapes, seascapes and his impression of the Madonna will be included in his display.

The YWCA is open on Mondays through Fridays from 9 to 9. Visitors are welcome to take advantage of the lobby gallery during this time.

Prospective art exhibitors are invited to inquire about one-man shows or co-presentations in the lobby gallery. Interested artists should call the YWCA, 999-6201, for further information.

On Thursday, August 15th, the New Bedford YWCA's Solo Parents Club is planning a cook-out and swim activity. Adults and children are most welcome to attend this activity. Members are reminded to bring their own food, grille, drinks, etc. For directions and reservations call the YWCA, 999-6201.

Benefit Barbecue

A home-style chicken barbecue will be held on Saturday, August 10th, from 4 to 8 P.M. at 220 Belair Street, New Bedford, as the first annual Birthright Benefit.

Some area residents, under the chairmanship of Mr. and Mrs. Joseph S. Correia, have organized this fund-raising project to benefit Birthright of New Bedford, a free pregnancy counseling program, which maintains a volunteer telephone answering service in New Bedford.

Joseph Correia is well-known locally as Past President of the Guild for the Blind and for various fund-raising activities for charitable organizations. Assisting Mr. and Mrs. Correia will be Mrs. Jack Smith of South Dartmouth, assistant Director of Birthright, and her committee.

Navy Band to Perform

FREE CONCERT

The second free concert of the summer series presented by the Massachusetts Maritime Academy at Buzzards Bay, will be held Friday, August 23rd, at 7 P.M. on the Academy campus at Taylor's Point, bordering the Cape Cod canal.

Rear Admiral Lee Harrington, Academy president, announces the second concert will be provided by the Northeastern area Navy Band from Newport, Rhode Island. The Bandmaster is John R. Geary, chief warrant officer.

The first band program, inaugurated by the Academy this season for residents, summer visitors and tourists, was acclaimed an unusual success despite the threatening weather and necessity for holding the event in the recreational complex.

Capt. Lawrence J. Gilbo, Band Commander of the Air Force Band from Otis field, which presented a wide variety of music on July 19,

Rear Admiral Lee Harrington, Academy president, said the event would be held the weekend of August 23, 24 and 25 and that Captain Allan McNaughton, skipper of the Bay State, was the general chairman.

The event will begin Friday night, August 23, with a buffet and party. On Saturday there will be a sports program, tours of the new campus facilities, a swim party, luncheon, and a dinner dance in the evening. The program will conclude with a brunch party Sunday.

Capt. Carl T. Ohm of Hyannis, a Canal Pilot between New York and Boston, has been in charge of contacting members of the class.
